Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

TC 2800 MAIL ROOM

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

**REQUEST FOR CORRECTION OF
FILING RECEIPT**

Sir:

This is a request for a corrected filing receipt.

The filing receipt identified for priority claim only one foreign application: "Japan 11/172,414". This should be corrected to identify a total of eight Japanese applications. These are:

Japan 11/172,414 filed June 18, 1999

Japan 11/205,836 filed July 21, 1999

Japan 11/205,838 filed July 21, 1999

Japan 11/210,370 filed July 26, 1999

Japan 11/216,585 filed July 30, 1999

Japan 11/259,914 filed September 14, 1999

Japan 11/264,727 filed September 20, 1999

Japan 11/273,086 filed September 27, 1999

Japan 2000/609 filed January 6, 2000

The priority applications were identified in the Combined Declaration and Power of Attorney submitted on March 8, 2002 and in the PCT/JP00/0400 submitted with the original application as filed.

The English translation of the international application was also submitted on March 8, 2002.

Enclosed herewith is a copy of the priority applications listed above and a verification of translation for each of the applications respectively. Applicants do not believe that there is fee due for the request.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment which may be required for this response to Deposit Account No. 13-4500. Order No. 3620-4014. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.

Respectfully submitted,

Dated: June 21, 2002

Maria C.H. Lin
